

Presence and Patience

An **Upside Down** Christmas

Everyone knows the Advent season

can be the busiest time of the year, especially for church leaders. So how can you lead people into the stillness of Advent when you're running on frayed nerves, caffeine and raw adrenaline—and still not keeping up? Despite the chaos you still sense the need to pause and reflect.

We'd like to offer two **video bundles** for the Advent season.

By providing a leader's guide with each bundle we hope they take a bit of the busy out of the busiest time of the year, and maybe even get you a bit of space to pause and reflect yourself.
